

Hello,

I am getting in touch to see if you can help us reach people in your community.

Each year the Police and Crime Commissioner sets the police budget and consults with communities to see how much they'd be willing to pay for their policing service through their council tax. This is also known as the policing precept.

The consultation is run online and can be accessed by this link (<https://www.smartsurvey.co.uk/s/Precept2526/>). We know that not everyone has access to online consultations or may need assistance in providing their views.

We would like to reach as many of Cheshire's communities as possible and wonder if you could help us to achieve this.

We can provide paper copies of the survey if that would help but would appreciate any advice you could give to help reach more people.

The survey will close at **12 noon on Monday 20<sup>th</sup> January 2025**, so we have a tight deadline.

Thanks in advance for your help. Please get in touch if you have any questions.

Kind regards

Janet
